The following source paragraph refers to a flat leaf skimmer. It is retained here for review, pending confirmation that it belongs to CX-40108.

FOR ALL THE RIGHT REASONS... This flat leaf skimmer is the perfect combination of precision and efficiency, specially designed for cleaning the pool surface. Its fine mesh net effectively traps even the smallest debris, insects, and pollen, ensuring a crystal-clear surface every time. The lightweight yet durable body allows smooth, effortless movement without creating drag in the water. Equipped with a fishtail EZ-clip handle, it offers quick and secure connection with a telescopic pole, saving valuable setup time. Ideal for daily cleaning, this skimmer helps maintain the pool’s elegance with minimal effort.
